

Watch your company grow with the Bharti Vyas Method (BVM)

What can the BVM do for your business?

- The key to a successful business is to have a point of difference. The BVM is a unique holistic system that will put you ahead of your competitors. The BVM gives you the opportunity to offer your Clients a unique hands-on home and salon therapy experience as well as giving you access to a whole new set of clientele.
- You can offer your clients a new range of therapy treatments, without having to invest in machines and gadgets, which take your time, space and money.
- Bharti was the first therapist to introduce holistic therapy under the beauty umbrella. The BVM therapies are based on principles of:
 - **Ayurveda,**
 - **Acupressure**
 - **Manual lymphatic drainage,**
 - **Chakra cleansing**
 - **Aromatherapy.**
- You will be earning a good income whilst also helping a client to enhance her health and well-being.

- Bharti – the name behind the BVM. She is Available first hand to help you promote you.
- We will offer you three-mile exclusivity. This means, you will be the only one offering the BVM in your area.
- You will receive a 20% discount off our facial threading day. This offers you the chance to attract new business.
- Our opening order includes
 - products of tailor made to your salons needs
 - Training on the BVM, BVMen and pregnancy facials
 - Free on going training throughout the year
